Что такое I.N.KH.E.? What Is I.N.KH.E.?

"I.N.KH.E." is a fictional planet in which name real names of musicians of this project are ciphered;

"I.N.KH.E." is a science-fiction history about searches and conquest of the new world for mankind.

"I.N.KH.E." is a declaration of love to the science fiction forcing us to think of the Future, to dream about impossible and to see unusual in usual. Fantastic stories which we read in the childhood and youth, inspired us on creation of this album.

"I.N.KH.E." is the Russian-Ukrainian project contrary to political circumstances.

+++++

"I.N.KH.E."- это вымышленная планета, в названии которой зашифрованы имена музыкантов этого проекта;

"I.N.KH.E."- это научно-фантастическая история о поисках и покорении нового мира для человечества.

"I.N.KH.E." – это признание в любви к научной фантастике, заставлявшей нас думать о Будущем, мечтать о невозможном и видеть необычное в обычном. Именно фантастические истории, которые мы читали в детстве и юности, вдохновили нас на создание этого альбома.

"I.N.KH.E." – это русско-украинский проект вопреки политическим обстоятельствам.
